WHO WE ARE

VALUES AND PRIORITIES

We are a company with 8-year history, impeccable reputation, friendly atmosphere, well-established corporate ethics and customer service principles. Nevertheless, we strive to brightly and explicitly express our individuality, looking at the ordinary things from another angle. We recognise both our advantages and development prospects, and we are committed to convey this vision to our customers and partners.

KEEPING UP WITH THE DIGITAL AGE

We neither rely on industry giants nor on cheap popularity. Our business philosophy is based on principles of good customer service regardless of whether it's a businessman or an individual.

THE CORE OF OUR CUSTOMER CARE POLICY

Improving of service quality and establishing long-term partnership with the customer. We deliver customer outcomes through fair co-operation, creating a climate of confidence and success.

OUR PRIORITIES

Over the years, New Technologies has proved to be a reliable supplier with an impeccable business reputation. We adhere to simple operational principles:

- We value your time - NT's customers do not waste time in call answering queries
- NT's managers promptly provide services and needed information;
- We justify confidence by keeping company's work history with no record of failure to perform contractual obligations

CHARITY

We seek to gain profit to develop not only business, but also social environment, changing lives for better. In cooperation with the Ray of Childhood Foundation, we support children from local Child Care Centers.

Tons of toys, materials for creativity, diapers, child care products and garments have been donated to orphans from Child Care Centers in Beloretsk, (Republic of Bashkortostan), Zlatoust (Chelyabinsk region), Syzran, (Samara Region), Sterlitamak (Republic of Bashkortostan) and Miass (Chelyabinsk Region).

We are committed to proceed with our Children Charity Program. Giving back to society is our duty. Duty to make the world better, and this is priceless!
